

Welcome to the Battle Tanks rules!

GAME DESCRIPTION

Battle Tanks is a 5-reel, 3-row, 9-payline slot.

The game has 8 regular symbols, Wild substitution, Free Spins and Bonus Game features.

The objective of the game is to spin the reels so that the symbols form winning combinations on fixed paylines. For a line win to be awarded, identical symbols must appear on adjacent reels, beginning with the leftmost reel. The more matching symbols in a row, the greater the win. The Paytable shows all winning combinations, symbol values and paylines.
