

Welcome to the Book of Rest rules!

GAME DESCRIPTION

Book of Rest is a 5-reel, 3-row video slot. The game is played with 20 fixed paylines.

The game has 9 regular symbols, Book symbol, Respins, Free Spins and 3 kinds of Random events.

The objective is to spin the reels so that the symbols form a winning combination on the existing paylines. A winning combination of identical symbols is formed in sequence from the most left to right reel.

The more identical symbols are formed successively, the greater the win. The required number of symbols to create a winning combination, win coefficient and paylines are displayed in the Paytable.

FEATURES

Book symbol

Book symbol substitutes for all symbols in the main game. Book symbol does not appear on the 1st reel.

Respin

Book symbol sticks to its position on the reel and trigger one Respin. Book symbols, that appear during Respin, add one more Respin. Book symbols stay on the reels until the end of Respins.

Free Spins

3 Book symbols trigger 10 Free Spins.

Free Spins are played with the same Bet as the spin that activates Free Spins.

One Special symbol is randomly selected before the start of Free Spins. After prizes for regular winning combinations have been recognized, the Special symbols may expand to cover its reels. The Special symbol will expand only when additional prizes can be awarded along active paylines for winning combinations. Special symbols do not need to appear adjacent to each other to result in winning combinations.

Book symbol does not appear during Free Spins.

ese events increase the chance to form the winning combinations.

Payline win is equal to the coefficient multiplied by the bet. Only the highest win per payline is paid.

RETURN TO PLAYER

The overall theoretical return to player is 95%.

RANDOMIZATION

The reels are spun with a fair and equal chance for each stop position by a random number generator.
