

FLUFFY RANGERS

Welcome to the Fluffy Rangers rules!

Fluffy Rangers is a 5-reel, 3-row slot. The game is played with 20 fixed paylines. The game has 9 regular symbols, Free Spins and Replacement Wild feature.

Ranger points collection zone

The collection zone looks like a portal and is located on the reel.

This is a dynamic area on the reel, and when a concrete high symbol falls into it, this symbol fills the indicator of its Ranger.

The collection zone has its own fixed place on each reel.

When the Ranger indicator is filled with its concrete number of symbols, certain letter appears, and the collection zone moves to the next reel.

Ranger Free Spins indicators

Indicators are presented as a high symbols character icon, with a numeric counter below it.

Collect the required number of high symbols of each Character to open the letter.

Keep watching your progress on the Ranger indicators:

2 Sheep symbols on the first reel – S

3 Raccoon symbols on the second reel – P

4 Monkey symbols on the third reel – I

5 Coyote symbols on the fourth reel – N

6 Lynx symbols on the fifth reel – S

After you get the word SPINS, the Free Spins Tournament Game will start.

Free Spins Tournament

Free Spins Game starts after all wins are paid.

Free Spins are played with the same Bet as the spin that activates Free Spins.

Your game progress is saved separately for each Bet you play.

You can have different levels of progress on different Bets in the same game, and move between them, changing the amount of the Bet.

Ranger Wild Symbol

If during Free Spins game, 3 identical high symbols appear on the same reel at the same time, they are replaced by one large Wild symbol.

If during Free Spins game, 3 identical high symbols appear on the same reel at the same time, they are replaced by one large Wild symbol.

Replacement Wild can appear only on the 2nd or 4th reels.

Wild symbol substitutes for all symbols.

PAYOUT RULES

The winning combination is formed when the identical symbols are arranged successively from the most left to the right reel.

The win for a combination is equal to the coefficient for the corresponding number of symbols multiplied by the bet.

Only the highest win on each payline is paid.

Malfunction voids all pays and plays.
