GAMBLE

To gamble your win press GAMBLE button and then select RED or BLACK card. If your choice is correct then gambling amount is doubled, otherwise the gambling amount is lost and the game is finished.

JACKPOTS

Mystery jackpot awards are displayed on the screen and comprise of fixed award and increment. In the beginning of any basic game spin a certain percentage of money bet will be directed towards the jackpot, then the increment increases and a mystery jackpot may award to the player. The chance of winning a progressive jackpot increases with the bet amount for that spin. A point at which the jackpot will hit is randomly chosen on a uniform distribution between the starting value and maximum possible jackpot. The player who after placing his bet first reaches the randomly chosen jackpot payout amount is the one who is entitled to win the jackpot. RTP is not including jackpot's contribution.

Malfunction voids all pays and plays. Min bet per line: 0.20, max bet per line: 100.00.

Gamble Win Limit: 2000.00.

The theoretical return to player is: 96.58%.

The symbols used in the game are as follows:

- Plum
- 7 (Wild)
- Watermelon
- Grape
- Star (Scatter)
