GAME DESIGN

Game Theme and Graphics

These twinkling beautiful Stars will captivate you! Amazing Stars has 5 reels filled with colorful fresh fruits and a progressive jackpot waiting just for you! Light up the sky and capture 10 free games, in which all the Stars remain fixed in place. If you manage to fill all the reel positions with Stars you'll win the Scatter Jackpot; landing 7 5x secures you the 7 Jackpot!

Main Game

Your goal is to land five identical symbols along a pay line. In a regular game the symbols in a winning pattern will start on the left side on the first reel and continue on to the right. In order to win, the symbols must be directly next to each other without any other symbols between them. Scatters win in any position regardless of the order on the line.

Free Games

Trigger: 3x, 4x or 5x scattered 'Star' trigger 10 Free Games.

Description: The 3x, 4x or 5x 'Star' symbols (Scatter) which have started the Bonus Feature, are held for the duration of the Bonus Feature. During the Bonus Feature all 'Star' symbols (Scatter) remain in the same position for the duration of the free spins. There is no payout during the free spins. At the end of the free spins, a single win is collected based on the number of 'Star' symbols (Scatter) landed in accordance with the paytable. 15x 'Stars' (Scatter) win the Star Jackpot and ends the Bonus Feature. No further free spins can be won during the free spins. Bonus Games are played at current bet.

Jackpot

Amazing Stars has a common progressive Jackpot for all stakes and currencies. 5x '7's on a win line triggers the '7 Jackpot'. With the maximum stakes the basic win for 5x '7' and 20% of the Jackpot is paid out (equivalent to the '7 Jackpot' sum shown in the game). 15x 'Stars' (Scatter) wins the 'Star Jackpot'. With the maximum stakes 100 percent of the Jackpot is paid out (equivalent to the 'Star Jackpot' sum shown in the game). The 'Star Jackpot' can only be won in the Bonus Feature. At lower stakes the corresponding share of the progressive Jackpot, depending on the stake amount, is paid out.

Top prize: 10000 times bet per line times lines played + percentage of progressive Jackpot.

Rules

- All pays are for wins of left to right, except Scatter, which pay anywhere.
- All prizes are on selected lines.
- Highest win only paid per selected line.
- Line wins are multiplied by credits bet per line.
