GAME DESIGN

Game Theme and Graphics

Discover the Columbus™ deluxe slot machine. A new world full of rewards awaits you, so take to the Seven Seas and begin your voyage. Ten paylines across five reels, as well as numerous bonuses, will ensure that your journey of discovery will be rewarding.

Main Game

The aim of Columbus™ deluxe is to achieve a line of 5 like symbols across the reels. In the regular game the win pattern starts at the first reel on the left and follows the payline across to the right. To win, the symbols must be adjacent (without any other symbols between them). The 'Columbus' symbol is a Joker and it substitutes all other symbols except Scatter.

Free Games

You can dramatically increase your pot with Free Games. 10 Free Games are activated when you have a combination of three 'Ships' anywhere on the screen. In the Free Game the 'Ship' symbol becomes a Joker and substitutes all other symbols. You will also receive further Free Games if three 'Ship' symbols appear in a Free Game. The stake used in the regular game will also be used in the Free Games.

Trigger: 'Nina', 'Pinta', 'Santa Maria' (Ships) scattered on the reels 1, 3 and 5 trigger the feature.
Top prize: 5000 times bet per line on one line.
Feature hit rate: 80 - 120 games.

Rules

- 'Columbus' substitutes for all symbols, except 'Santa Maria', 'Pinta' and 'Nina'.
- All pays are for wins of left to right, except Scatters.
- All prizes are on selected lines, excluding Scatters.
- Highest win only paid per selected line.
- Line wins are multiplied by credits bet per line.
- Scatter prizes are multiplied by total bet.
- Scatter wins are added to line wins.
