## GAME DESIGN

### Game Theme and Graphics

Head down into the underworld while the gods watch over you, and search for the hidden treasures. So, are you ready to go toe to toe with Hades for a handful of fantastic Free Games? Then call for the ferryman to pick you up!

### Main Game

When playing this game, look out for Giant Stacked Symbols spinning through each spin. These can deliver full windows and pay huge wins. The 'Haul of Hades' symbol is the Wild and substitutes for all symbols except the Scatter.

### Giant Stacked Symbols

Each reel includes giant stacks of the same symbol. Before each spin, a symbol is randomly selected to fill each reel's stacks. Any symbol, except the 'Free Spins' symbol, may appear in any stack. All Giant Stacked Symbol positions on a reel transform to the same symbol. The same symbol may appear stacked on multiple reels on the same spin. When the same symbol appears stacked on reels, it could deliver some huge wins.

### Free Games

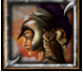

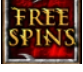

Stacked 'Free Spins' symbols appear on reels 2, 3 and 4. Fill all positions on those reels to be awarded 7 Free Spins. During the Free Spins one of the four Gods will be chosen to be the Giant Stacked Symbol for the Free Spins awarded. Free Spins cannot be triggered within Free Spins.

- Symbols pay from left to right and must be consecutive.
