GAME DESIGN

Game Theme and Graphics

Follow the trail of a wise wizard and his apprentices in search of the magic formula for endless riches in Mystic Secrets™. Spin the reels of this phantasmagorical slot and let the winnings come rolling in. Anything is possible in Mystic Secrets™ - even a mystical bonus feature which could have multiplicative effects on your account!

Main Game

The goal of Mystic Secrets™ is to have all 5 reels showing the same symbol. In a regular game the symbols in a winning pattern will start on the left side and continue on to the right. In order to win, the symbols must be directly next to each other without any other symbols between them. The 'Scholar' replaces all of the symbols except for the Scatter symbol ('Mystic Tome').

Free Games with Wild Reels

Trigger: 3 or more scattered 'Mystic Tomes' trigger 10 Free Games.

Description: Bet staked and lines played are the same as in the game that started the feature. During the feature, a different reel strip is used. The feature can be re-triggered during the Free Games. Before each Free Game, two of the five reels are chosen randomly to be 'Wild Reels'. 'Wild Reels' show the Wild symbol 'Scholar' on every position.

Top prize: On single line: 5000 times credits bet.

Feature hit rate: 250-270 games.

Rules

- 'Scholar' substitutes for all symbols, except Scatters.
- All pays are for wins of left to right, except Scatters, which pay any.
- All prizes are on selected lines, excluding Scatters.
- Highest win only paid per selected line.
- Line wins are multiplied by credits bet per line.
- Scatter prizes are multiplied by total bet.
- Scatter wins are added to line wins.
