## GAME DESIGN

	<h3>Game Theme and Graphics</h3> <p>Let yourself be guided by the gentle giants to truly huge prizes with Orca™! You enter the cold and fascinating underwater world of the giants of the ocean, and with a little luck, discover the treasures of the Arctic Ocean. But be vigilant: Any direct visual contact with our Orcas gives you the chance of large winnings or rewarding free spins where you can really cash in!</p>
	<h3>Main Game</h3> <p>In Orca™ you play on 5 reels and up to 50 winlines. Your goal is to land 5 matching symbols along a payline. In the regular game the win pattern starts at the left on the first reel, and continues along the payline to the right. In order to win, the symbols must be adjacent without any other symbols between them.</p>

### Feature

A combination of 3 Scatter symbols (Orca Fin) in any position triggers 10 free spins. An extra WILD symbol is added to the reels 2, 3, 4 and 5 before each free game- so your chances of getting a really big win is rising immensely! Land 3 scatter symbols again during the free spins, then you win 5 additional free spins. Landing 3 Scatter symbols after that pays their symbol value and does not trigger any further free spins.  
**Trigger:** 3 scattered SCATTER trigger 10 Freegames  
**Feature hit rate:** 110 – 150 games

### Rules

Wild substitutes for all symbols, except SCATTER  
 All pays are for wins of left to right except scatters, which pay any.  
 All prizes are on selected lines excluding scatters.  
 Highest win only paid per selected line.  
 Line wins are multiplied by credits bet per line.  
 Scatter prizes are multiplied by total bet.  
 Scatter wins are added to line wins.

## PAYTABLE

All prizes are shown in credits. All prizes are for one credit bet.
