GAME DESIGN

Game Theme and Graphics

Rooooo! Who is roaring on the reels? It is the Wild symbols in Roaring Wilds™ that are bursting with winning strength! They enjoy their free movement - if you manage to tame the madcaps and make them parade in rank and file on one of the lines you can join in the roaring because plenty of winnings will be yours!

Main Game

Your aim in Roaring Wilds™ is to line up 5 identical winning symbols on one of the lines. All lines run from left to right across the reel set. The 'Star' acts as a Scatter and already pays a win when it lands at least 3 times in any reel position. The Wild symbols can substitute for all lucky symbols except for the 'Star' and therefore substantially increase your winning odds!

Rules

- The Wild substitutes for all symbols, except scattered 'Star'.
- All pays are for wins of left to right, except Scatters, which pay any.
- All prizes are on selected lines, excluding Scatters.
- Highest win only paid per selected line.
- Line wins are multiplied by credits bet per line.
- Scatter prizes are multiplied by total bet.
- Scatter wins are added to line wins.

PAYTABLE

All prizes are shown in credits. All prizes are for one credit bet.
