## GAME DESIGN

### Game Theme and Graphics

"Oh it's so good that no one knows I'm called Rumpelstiltskin!" The famous children's fairytale has been packed into an exciting slot machine which, in line with the story, could spin a lot of gold for your account! Here, however, it is not straw that is spun into precious metals, but it's the frog, millers' daughter and Rumpelstiltskin that will help fill up your account.

### Main Game

Your aim with Rumpel Wildspins™ is to land 5 matching symbols along a win line. In the regular game, every winning combination begins on the left on the first reel and runs along the win line to the right. To win, the symbols must lie next to each other without any other symbols between them.

## Free Games with Accumulating Wilds

When 3, 4 or 5 'Frog' symbols appear anywhere on the reels, the Rumpel Wildspins Free Game feature is triggered. 15 Free Games are awarded. During the Free Games, any Wild symbols that appear on the reels will stay there until the feature is over. The Scatter symbol does not appear on the reels during the feature, therefore the feature cannot be retriggered during Free Games.

## Rules

- The Wild symbol substitutes all other symbols except Scatters.
- All line wins pay from left to right and the symbols must be consecutive.
- Highest win only paid per selected line.
- All line wins pay only on lines in play.
- All line wins are multiplied by the bet per line.
- Scatter wins pay anywhere in view.
- Scatter wins are multiplied by the total bet.
