GAME DESIGN

Game Theme and Graphics

Shooting Stars™ Supernova brings thousands of sparkling stars on your screen! Let ringed planets and comets travel along their orbits and let giant blue stars be fixed points in the sky of winnings. You can seek and find your gaming luck in the stars with Shooting Stars™ Supernova on 5 reels and 10 lines.

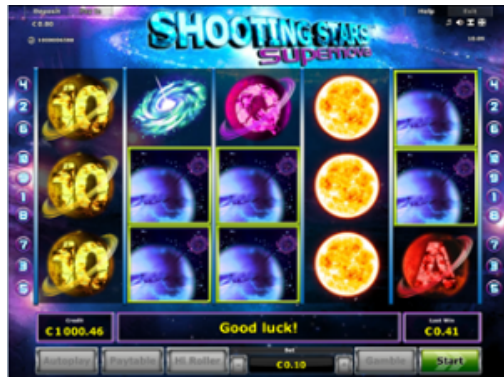

Main Game

Shooting Stars™ Supernova is played on 5 reels and 10 win lines. Your aim is to land 5 identical symbols along a win line. Winning combinations start on the first reel on the left or right and run along an active win line to the last reel on the right or left. To win, the symbols must lie next to each other without any other symbols between them. The Wild substitutes all symbols and activates the 'Shooting Star Bonus'.

Shooting Star Bonus

One or more 'Star' symbol appearing anywhere on reels 2, 3, or 4 activates the 'Shooting Star Bonus'. During the 'Shooting Star Bonus', the 'Star(s)' expands to fill the entire reel and remain in place while the other reels re-spin. If a new 'Star' appears during a re-spin, it will expand and holds in place together with any previously expanded 'Stars' for another re-spin. The 'Shooting Star Bonus' ends when no new 'Stars' appear during a re-spin.

Supernova Bonus

When 'Supernova' symbols land in, they will all be exploding into the same type symbol. 'Supernova' symbols can reveal any type symbol including the Wild symbol.

Hi Roller Game

Select Hi Roller and play a Silver game for 5x your total bet or a Gold game for 10x your total bet. During Silver games Stacked Wild 'Star' Symbols are added to reels 2, 3 and 4. For Gold games, Stacked Wild 'Star' Symbols are added to all 5 reels.

Rules

- All prizes are for combinations of a kind.
- All prizes are for combinations left to right and right to left.
- All wins pay only on lines in play.
- Line wins are added.
- The award multiplier is multiplied with the bet per line (i.e. total bet/pay-lines).
- Only the highest value symbol combination is paid on each pay-line.
- Malfunction voids all pays and plays.

PAYTABLE

SYMBOL	5x	4x	3x	2x	LINE	SCATTER	SPECIAL FUNCTION
