GAME DESIGN

Game Theme and Graphics

Ultra Hot™ deluxe is the epitome of a classic slot! With its seven colourful fruit symbols, it screams the flair of a typical "Fruit Machine" or "Fruity", as they are affectionately known. Three reels spin in your chances of making huge winnings!

Main Game

The aim of Ultra Hot™ deluxe is to get the same symbol showing on all 3 reels. In the regular game, winning combinations run left to right across the paylines. To land a win, a complete winning combination must occupy a payline, without any other symbols coming between the winning symbols. Same fruit symbols on all positions double the scheduled prize.

Rules

- All prizes are for combinations of a kind.
- Symbols pay from left to right and must be consecutive.
- All wins pay only on lines in play.
- Highest win only paid per selected line.
- Line wins are added.
- Malfunction voids all pays and plays.
