

# Books and Bulls Golden Nights Bonus

## Books and Bulls Golden Nights Bonus

Olé! Immerse yourself as Torero in the world of bullfighting and defeat the bulls or collect as many bonus symbols in one of two spirited free game features. Now also available with the great adventure of an additional jackpot side game.

### Game

Reels: 5

Paylines: 5/10 selectable

"Torero" is Wild and substitutes for all symbols except Scatters and bonus symbols in free games feature.

"Book" is Scatter.

"Bull" is Scatter.

### Free games type A

10 free games are triggered by 3/4/5 "Book".

During free games feature it is possible to trigger additional free games.

The free games feature starts with the draw of a bonus symbol.

Every symbol except "Book" is able to become bonus symbol.

In case of retriggering freegames there is not a new draw of bonus symbol.

In free games, in case that "Torero" is the bonus symbol, multiple symbols Wild on one line count as combination "Woman" if it's the highest win on this line.

When at least 2 or 3 bonus symbols occur on different reels (depending on the symbol, a win has to be formed), after the win evaluation of the normal line wins the reels with bonus symbols are stamped to full bonus symbol reels.

The bonus symbols are evaluated as Scatter-on-win-line.

### Free games type B

10 free games are triggered by 3/4/5 "Bull".

During free games feature it is not possible to trigger additional free games.

During the free games feature any visible "Torero" is sticky. So it stays on its reel position and is

evaluated for this position until the end of the free games feature. Symbols occurring behind "Torero" were not evaluated.

## Side Game

### Golden Nights Bonus

With an additional bet the Golden Nights Bonus Feature is activated, which can trigger a jackpot side game with every spin.

When the Golden Nights Bonus is triggered, three chests appear that open successively from left to right. If all three chests are filled, continue to the Golden Nights draw. The collected points on the reels fill the thermometer and thus determine the Jackpot win.

Questionmark symbols can be worth between 7 and 15 points.

The player can choose between different additional bets.

With increasing additional bet per spin a higher win is possible and a prefillment is awarded to the thermometer.

Furthermore, when playing on the highest additional bet, the chance to trigger the Golden Nights Bonus is increased and it is possible to obtain a special win.

## Gamble

### Card gamble

The card gamble can be entered by clicking the gamble button with the cards symbol. The win can be gambled by betting on the color of the next card. If the color of the drawn card matches the choice, the win is doubled. In case the colors don't match, the risked win is lost.

### Ladder gamble

The ladder gamble can be entered by clicking the gamble button with the ladder symbol. In case of win, you will land on the highlighted step above your current one, in case of loss on the highlighted lower one.

Gambling is not possible for high wins or in autoplay mode.

## Rules

All wins begin with the leftmost reel and pay left to right for identical symbols on adjacent reels. All wins count on payed lines only. Wins on different lines are added. Only the highest win counts on each line.

Scatters pay in any position. Scatter wins are added to line wins. Only the highest Scatter win counts.

Free games are free-to-play. Bet per line and lines played are the same as in the spin that triggered the free games feature. Reel strips during free games are different to the reel strips during paid games.

## Return to Player (RTP)

This game has a return to player 96.11%.

This side game has a return to player of at least 96.02% .

This RTP represents the long term theoretical game payout.

Wins and winning combinations are shown in the paytable.

Malfunction voids all pays and plays.

## Operation

### In general
