- Only the highest win is paid for each active payline.
- Payline wins are multiplied by the active line points.
- Scatter wins are multiplied by total bet and added to the payline wins.
- Bonus feature wins and Free spins feature wins are added to Scatter and payline wins.
- Free spins play at the same bet amount as the last spin.
- All displayed prizes are prize totals with all applicable multipliers already taken into account.

Payout Additional Info

- Payouts in the pay table are shown in credits.
- Balance, bet and win are shown in player's currency.
- Malfunction voids all pays and plays.
- RTP of this game is 95.01%.

Rules

- The Broker Bear wild symbol appears only on reels 1, 3, and 5.

- All 3 Broker Bear wild symbols trigger 15 free spins with x3 multiplier.
- The Broker Bear wild symbol substitutes for all symbols except the Investment Machine scatter symbol.
- 3 or more Investment Machine scatter symbols appearing anywhere on screen start the Investment Machine bonus feature.

Free Spins Feature

Broker Bears rarely appear even in pairs, but when you catch them in a group of three, you can count on the forest market skyrocketing into

dazzling heights, awarding you 15 free spins with tripled profits. Imagine the growth jump if you find the Investment Machine in these market conditions!

- 15 free spins start when all 3 Broker Bear wild symbols appear anywhere on reels 1, 3, and 5. All free spin wins are tripled.
- Additional 15 free spins can be won within free spins infinitely (multiplier remains 3).

Bonus Feature

The Investment Machine Bonus feature

With 3 or more Scatter symbols you gain the exclusive right to use the magical Investment Machine. Pick 3 goods to feed into the machine and determine their current total value. With the help of your friends, some luck and a lot of gratitude from the forest, the Investment Machine will process the goods thoroughly and produce more gold to fulfil your every desire.

- Investment Machine bonus feature starts when 3, 4 or 5 Investment Machine scatter symbols appear anywhere on the screen.
