Payout Rules

- All winning combinations must appear from left to right and start on the 1st reel, unless explicitly stated otherwise.
- Only the highest win is paid for each active payline.
- Payline wins are multiplied by the active line points.
- Scatter wins are multiplied by total bet and added to the payline wins.
- Bonus feature wins and Free spins feature wins are added to Scatter and payline wins.
- Free spins play at the same bet amount as the last spin.
- All displayed prizes are prize totals with all applicable multipliers already taken into account.

Payout Additional Info

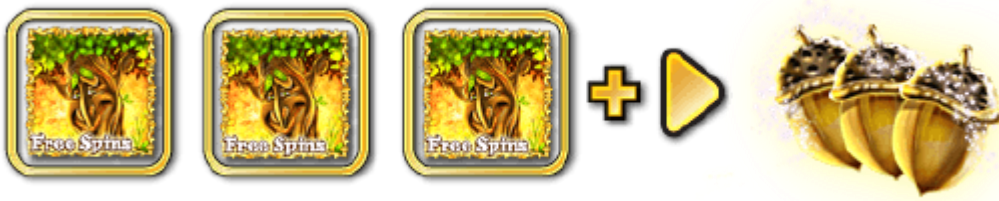

- Payouts in the pay table are shown in credits.
- Balance, bet and win are shown in player's currency.
- Malfunction voids all pays and plays.
- Based on the optimal player strategy, RTP of this game is 96.08%.
- Hit frequency of this game is 72.51%.

Rules

- The Magic Fairy Wild symbol substitutes for all symbols except Laughing Tree free spins symbol and Lucky Leprechaun bonus symbol.
- 3 or more Lucky Leprechaun bonus symbols appearing consecutively on an active payline start the Mad Hats bonus feature.
- 3 or more Laughing Tree free spin symbols appearing anywhere on the screen start the Magic Nuts free spins feature.

Free Spins Feature

Magic Nuts Free Spins Feature

When you hit 3 or more Laughing Tree free spin symbols, you will be awarded 5 free spins with x2 multiplier, and presented with 5 acorns. 2 hide additional multipliers, 3 hide additional free spins. The more Laughing Tree free spin symbols you hit, the more acorns you can pick:

- - 3 Laughing Tree symbols > pick 2 acorns
- - 4 Laughing Tree symbols > pick 3 acorns

- - 5 Laughing Tree symbols > pick 4 acorns
- The Magic Nuts free spins feature starts when 3, 4 or 5 Laughing Tree free spin symbols appear anywhere on the screen.
- Additional free spins can be won within the Magic Nuts free spins feature infinitely. A number of free spins is added and the multiplier stays the same.

Bonus feature

Mad Hats Bonus feature

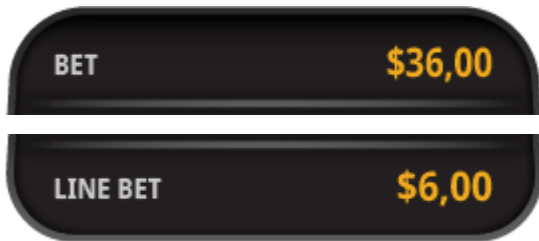

With 3 or more Lucky Leprechaun bonus symbols you will enter the world of Mad Hats, where the prized Fairytale Forest diamonds are hidden. Pick one of 5 magic hats to reveal your prize. You have 3 tries in all to pick the prize you like, but remember – once you pick again, the old prize will be lost.

- The Mad Hats bonus feature starts when 3, 4 or 5 Lucky Leprechaun bonus symbols appear consecutively on an active payline, forming a bonus combination.
- The bonus combination can start on any reel.

- Only the longest bonus combination triggers Mad Hats bonus feature.
- When the same bonus combination appears on multiple active paylines, only one Mad Hats bonus feature will be played. Its wins will be multiplied by the number of active paylines with this bonus combination.
- Four Lucky Leprechaun bonus symbols multiply wins by 3 and five Lucky Leprechaun bonus symbols multiply wins by 5.
