

FRUIT TWIST™ GAME RULES

Fruit Twist™ is an old school video slot game, played on 5 reels, 3 rows and 5 fixed paylines.

Payout rules

- All winning combinations must appear from left to right and start on the 1st reel, unless explicitly stated otherwise.
- Only the highest win is paid for each active payline.
- Payline wins are multiplied by the active line points.
- Scatter wins are multiplied by total bet and added to the payline wins.

Payout Additional Info

- Balance, bet and win are shown in player's currency.
- All displayed prizes are prize totals with all applicable multipliers already taken into account.
- Malfunction voids all pays and plays.
- RTP of this game is 95%.
