- 3 or more "Eureka" scatter symbols appearing anywhere on the screen start 10 free spins with x3 multiplier.

Free Spins Feature

The Atlantis discovery site seems to hold some special powers. The spirit of Atlantis must be alive. 3 or more scatter symbols anywhere on the screen trigger a flashback of the past and start 10 free spins with tripled prizes. Free spins can be retriggered infinitely, winning you riches so shiny they will light up the sky.

- 10 free spins start when 3, 4 or 5 "Eureka" Scatter symbols appear anywhere on the screen.
- All wins of the free spins feature – except wins of the Breakthrough Discovery bonus feature triggered within the free spins feature – are multiplied by 3.
- Additional 10 free spins can be won within free spins feature infinitely (multiplier remains 3).

Bonus Feature

The Breakthrough Discovery bonus feature

All those years of research and millions spent on equipment are finally paying off, at last you found the site where Atlantis sank. Dive your Mission Atlantis Research Vessel (MARV) into the mysterious cave and

load your cargo bay with precious Atlantean artefacts. Pick a single object, you can also change your mind and pick again.

- The Breakthrough Discovery bonus feature starts when 3, 4 or 5 Radar Scanner bonus symbols appear on an active payline, forming a bonus combination. Symbols must appear from left to right and start on the 1st reel.
- Higher number of triggering symbols grants more tries and higher prize values.
 - - 3 bonus symbols > 1 repick
 - - 4 bonus symbols > 2 repicks
 - - 5 bonus symbols > 3 repicks
- The MARV Wild symbol also substitutes for the Radar Scanner bonus symbol and can help trigger the Breakthrough Discovery bonus feature if at least one Radar Scanner bonus symbol is present in the combination.
