## Rules

- The Billy Fast wild symbol appears only on reels 1, 3, and 5.
- All 3 Billy Fast wild symbols trigger 15 free spins with x3 multiplier.
- The Billy Fast wild symbol substitutes for all symbols except the High Noon scatter symbol.
- 3 or more High Noon scatter symbols, appearing anywhere on screen start the High Noon Shootout bonus feature.

## Free Spins Feature

Connect all three Billy Fast wild symbols to set up a game of Poker, or as Billy calls it: easy money. You will be awarded 15 free spins with all wins tripled. Of course if Billy gets caught cheating, he will be challenged to the High Noon Shootout, which means even more beans in the bag, so it's a WIN WIN situation for you!

- 15 free spins start when all 3 Billy Fast wild symbols appear anywhere on reels 1, 3, and 5. All free spin wins are tripled.
- Additional 15 free spins can be won within free spins infinitely (multiplier remains 3).

## Bonus Feature

### High Noon Shootout Bonus Feature

With 3 or more Scatter symbols our 'quick slinging' Billy is (yet again) challenged to the High Noon Shootout. Who did Billy pique this time? Another cuckold, or some 'fish' who lost all his money to Billy's superior poker hand? Who would remember! All you have to do is choose Billy a gun and then let him do what he does best.

- High Noon Shootout bonus feature starts when 3, 4 or 5 High Noon scatter symbols appear anywhere on the screen.
