This is the WILD symbol.
It substitutes for all symbols except for RELICS and BONUS symbols.
The WILD symbol appears only in FREE SPINS.

FREE SPINS FEATURE

This is the BONUS symbol. It appears on all reels.
Hit 3 or more BONUS symbols to trigger the FREE SPINS feature
The round starts with 8, 10 or 12 guaranteed free spins for 3, 4 or 5 BONUS symbols respectively.

This is the ISLAND bonus symbol. It appears only on reel 3.
Hit a single ISLAND bonus symbol to trigger the FREE SPINS feature with 12 guaranteed starting free spins.

During the FREE SPINS round, the RELIC symbols are also money symbols and at every spin they take a random value from a predefined set. Possible values are:

2x, 3x, 5x, 7x or 10x total bet.

3x, 5x, 10x, 15x or 20x total bet.

5x, 10x, 15x, 20x or 30x total bet.

10x, 20x, 30x, 50x, 500x or 5000x total bet.

At every spin, the WILD symbol moves and stops on a random position on the screen replacing what would hit under it. Then it will collect the values of all the RELIC symbols that are on the 8 positions around it within the symbol grid.

Every time a money symbol is collected, the RELIC it represents is also collected in a trail.

- After 4  collected in the trail, all future money collections with WILD from this symbol are going to be multiplied by x2.
- After 4  collected in the trail, all future money collections with WILD from this symbol are going to be multiplied by x3.
- After 3  collected in the trail, all future money collections with WILD from this symbol are going to be multiplied by x5.
- After 3  collected in the trail, all future money collections with WILD from this symbol are going to be multiplied by x10.

When a trail is completed 3, 4 or 5 guaranteed free spins are awarded but not more than the number of guaranteed free spins won at the start of the feature, up to a maximum of 8, 10 or 12 total guaranteed free spins remaining.

After all the guaranteed free spins finish, a totem will appear on the screen moving to random positions along with the WILD at every spin. If the totem ever stops on the same position as the WILD, the round ends. Otherwise the game will keep giving additional free spins one by one until this happens. It is possible for the totem to appear directly on top of the WILD immediately after the guaranteed free spins end.

Getting additional guaranteed free spins from filling the relic trails while the totem is on the screen, will make the totem disappear and come back only after the remaining guaranteed free spins are finished.

If the ISLAND symbol hits during free spins, random RELICS with random values are going to be added on the screen at random positions.

Special reels are in play during the feature.

MYSTERY PRIZE

At the end of the FREE SPINS feature, if the total win of the feature is below 2250x total bet, the player can opt to take the win amount as it is or replace it with a mystery prize that can be smaller or higher than the current value, in a random manner.

MAX WIN

The maximum win amount is limited to 5,100x bet in both base game and free spins. If the total win of a FREE SPINS ROUND reaches 5,100x bet the round immediately ends, win is awarded and all remaining free spins are forfeited
