

## GAME RULES

All symbols pay from left to right on adjacent reels starting from the leftmost reel.

This symbol is WILD and substitutes for all symbols except for .

WILD symbol appears on all reels.

This is the SCATTER symbol.

It appears on all reels.

Hit 3 or more SCATTER symbols anywhere on the screen to trigger the SUPER BOOST FREE SPINS feature.

### WILD BOOST

At every spin where at least one WILD symbol hits, there is a chance to trigger the WILD BOOST win multiplier feature.

When the feature is triggered a random multiplier value of x2, x3, x4, x5, x6, x8, x10, x12, x15, x25, x50 or x100 is selected. The multiplier applies to the win of all combinations that contain at least a WILD.

### SUPER BOOST FREE SPINS

Before the round starts select either MEGA BOOST or ULTRA BOOST free spins option.

Both free spins options have a progressive feature. The round starts with a WILD BOOST multiplier and can increase three times by collecting SCATTER symbols during the round.

#### MEGA BOOST

The round starts with 5 free spins and x2 WILD BOOST multiplier. The progressive feature starts with a number of SCATTERS already collected equal to the number that triggered the round.

Less SCATTER symbols are present on the reels in MEGA BOOST feature and the chance to increase the multiplier is lower.

Every 5th SCATTER collected during the round increases the WILD BOOST multiplier, first to x5, then to x10 and lastly to x100. Every time a new multiplier is reached 5 more free spins are awarded. The retriggered spins are played after the previous batch of free spins end. The new win multiplier applies to the retriggered spins When x100 is reached the round cannot be retriggered anymore.

#### ULTRA BOOST

The round starts with 5 free spins and x3 WILD BOOST multiplier. The progressive feature starts with a number of SCATTERS already collected equal to the number that triggered the round.

More SCATTER symbols are present on the reels in ULTRA BOOST feature and the chance to increase the multiplier is higher.

Every 5th SCATTER collected during the round increases the WILD BOOST multiplier, first to x6, then to x12 and lastly to x50. Every time a new multiplier is reached 5 more free spins are awarded. The retriggered spins are played after the previous batch of free spins end. The new win multiplier applies to the retriggered spins When x50 is reached the round cannot be retriggered anymore.

Special reels are in play during both options.

#### MAX WIN

The maximum win amount is limited to 5,000x bet in both base game and free spins. If the total win of a FREE SPINS ROUND reaches 5,000x bet the round immediately ends, win is awarded and all remaining free spins are forfeited

## VOLATILITY

High volatility games pay out less often on average but the chance to hit big wins in a short time span is higher.

All symbols pay from left to right on selected paylines.

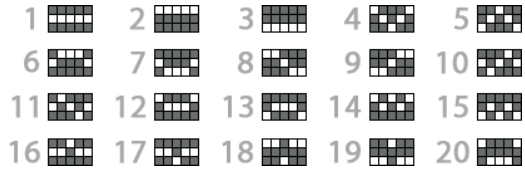

Free Spins win is added to the payline win.

All wins are multiplied by bet per line.

All values are expressed as actual wins in coins.

Only the highest win is paid per line.

When winning on multiple paylines, all wins are added to the total win.

Free spins win is awarded to the player after the round completes.  
Free spins total win in the history contains the whole win of the cycle.

The theoretical RTP of this game is 94.47%

MINIMUM BET: £0.20  
MAXIMUM BET: £100.00

SPACE and ENTER buttons on the keyboard can be used to  
start and stop the spin.

Malfunction voids all pays and plays.
