

Harlequin Dice

Harlequin Dice is 4-reel video slot featuring Wild symbol and a Bonus symbol that triggers Free Spins.

The game has 81 ways to win.

Way wins pay for combinations of matching symbols on any position on adjacent reels starting from the leftmost reel.

Only the longest symbol combinations per way are paid.

Way wins are added.

Winning combinations and payouts are made according to the Paytable.

Malfunction voids all pays and plays.

The game is also available in mobile version, matching the rules, bets and winnings of the classic version.

The game User Interface (UI) panel is located at the bottom of the screen.

WILD SYMBOL

Wild symbol substitutes for all symbols except Bonus.

BONUS GAME FREE SPINS

When 3 or 4 Bonus symbols appear anywhere on the reels, the Free Spins feature is triggered.

3 Bonus symbols award a random value from a single dice (1 to 6 Free Spins) and 4 Bonus symbols award a random value from two dices (2 to 12 Free Spins).

Free Spins cannot be retrigged as the Bonus symbol is not present during Free Spins. Free Spins are played at the same bet as the round activating Free Spins. Every spin wins during Free Spins.

GAMBLE

You are able to gamble any win not exceeding (per operator).

The gamble feature is card based and you have to guess the color of the next revealed card.

A correct guess doubles the win; a wrong guess causes you to lose your win.

The win can be gambled until a wrong guess or until a limit is reached.

Collecting the win ends the gamble feature.

You can use the **HALVE** option to credit half of your win to your balance and gamble the rest.

Joker substitutes for any color.

AUTOPLAY

Autoplay will let you play the selected number of game rounds automatically at the current bet setting. Autoplay is stopped when the **AUTOPLAY STOP** button is pressed.

The remaining number of spins is displayed while Autoplay is active.

GAME LIMITS

Minimum bet	per operator
Maximum bet	per operator
Maximum win in a single game round	per operator

PAYTABLE

Graphics	Description	x total bet (5x)	x total bet (4x)	x total bet (3x)	x total bet (2x)
